

OUR FACE CARES

1 hour - €70

EQUATORIA

- Nourishing face care -

This exotic care rehydrates and feeds effectively all the types of skins and more particularly the dry skins. He smooths and plumps the lines, shades off wrinkles, while bringing an immediate radiance.

- Face care Geisha Original Purity - With Jade Stone -

This purifying, moisturizing and plumping care smooths the lines and offers a pure and bright complexion. He marries the art of the Japanese gestures with care products of a pure white. Freed of its impurities, the skin finds neatness, brightness and freshness, the complexion is cleared up. Adapted to the mixed normal skins in fat in search of purity.

- Youth face care - Royal Softness with Rose -

Moisturizing, nourishing, soothing and regenerating recommended to all the types of skins and more particularly to the sensitive skins, subject to red patches and to daily outside attacks as well as to mature skins wishing to find comfort, nutrition, and hardening of the cutaneous tissue.

THEMAE

- Face care Hydration Strategy -

This care stages all the benefactions of the tea to bring the hydration necessary for skins in lack of water. The skin is intensely oxygenated and the features rested. It is the care of the "city" skins done root canal work, tired by an aggressive and polluted environment.

OUR MASSAGES

Back & Face, Feet & Hands or Back & Legs

The well-being break (30 min): € 45 – The full massage (1 hour): €85

EQUATORIA

- "Sweet Lomi" Massage -

From traditional Hawaii, the Sweet Lomi Massage offers a wide variety of therapies to alleviate pain, release tension and promote healing. It usually uses the forearms.

- Balinese Massage -

This techniques massage include acupressure, skin rolling and flicking, firm and gentle stroking, percussion, and application of essential oils.

- "Mille et Une Nuits Etoilées" Massage -

A complete massage from the land of a thousand and one nights. Removing and rebalancing, the pressure should neither be too soft nor too hard.

THEMAE

- Ayurvédique Abhyanga -

This powerful, deep and rhythmic complete massage will strongly work onto the muscles by alternating movements for more tonic and balancing stimulations.

- 4 Teas Regenerating Back Massage -

This treatment combines deep muscular techniques (pressure and kneading) and Thai stretching. It is meant to ease tensions from the back and the legs by deeply undoing it.

- Singaporean -

Inspired by Korean, Indian and Chinese massages, this massage focused on the energetic areas, will make the tiredness of the body and the soul go away. Gestures are intense and particularly focused on feet, the belly and the back.
